

**BSA OC Ride  
to the  
V&VMCC "MOTORCYCLE-ONLY" SWAP MEET  
3rd October 2021**

### THE RIDE

The ride will be led by the **BSA Owners Club of SA**, total distance about 25 kms. Riders depart from Beaumont Rd, Eastwood. Meet at 7.30 am for an 8:00 am start.

The group will ride through the Adelaide Hills to the Balhannah Sports Oval for the renowned V&VMCCSA Swap Meet. Once there, ride entrants are invited to join the display of motorcycles - all bikes welcome, anything from veteran to modern. There'll be a trophy awarded for "People's Choice".

Following the event, riders may choose to head for lunch in surrounding townships, such as Lobethal (popular with motorcyclists), Stirling (popular tourist destination) or Hahndorf (historic tourist village). Alternatively, just head off and explore the Adelaide hills.

A dedicated on-site parking area will be arranged for the bikes attending. The swap meet entry fee of \$5 is included in the FOM registration, breakfast is an additional \$8.

**Meeting Point is Beaumont Rd, Eastwood - access is only from Greenhill Road**

**20<sup>th</sup> “Motorcycle-Only” Swap Meet & Show**

**This swap meet is unique.  
It has a singular focus - motorcycles!**

You don't have to walk mile after mile past boring car parts to find someone actually selling a motorcycle part. There are no stalls with toys or old china ornaments either.

The V&VMCCSA has been running the event for 20 years come rain or shine. It's well attended by local and interstate traders alike.

There's going to be a great display of bikes to admire this year with a combination of V&V club bikes and the ride-in bikes from FOM 2021 entrants.

Catering is provided by the local Combined Sports Club at their on-site club rooms.

The entry fee for sellers is \$15

Overnight camping is possible, for more details contact Brian 0409 514 213.
