

COMCC Motorcycle Restoration Competition2022

This year the club is holding a competition to choose the best restoration project during 2022. The winning project will be chosen by considering a range of criteria including general interest, rarity, quality of workmanship and sheer persistence. Temporary insanity might also be a factor.

The deadline for entries is 30 June. Entries for the competition should be accompanied by a description and some photos showing before and after images and various details etc. Please submit entries to Bob Finnie or Tony Mitchell.

The entered machines will be displayed and judged at our general meeting and AGM on 26 July at our usual venue, the West Croydon and Kilkenny RSL. Entrants will be asked to give a brief presentation about their project.

The winner will be presented with their trophy at the Annual dinner in August.

For further information please contact:-

Bob Finnie 0411 687 666

Or

Tony Mitchell 0419 245 631
